

Spring Cleaning Checklist

Bathroom

Prep Work

- Spray tub, shower, sink and toilet with cleaners. Let them soak, while disposing of expired medications, and cosmetics.
- Throw out expired medications (make sure to follow your local laws for disposing of all medications)
- Throw out expired cosmetics
- Remove decorations off of the walls, and flat surfaces

Dust

- Ceiling
- Vents
- Mirrors
- Windowsills
- Trim around doors, and windows
- Have a shower enclosure, dust the top of that, too
- Light fixtures, and bulbs
- Baseboards

Clean out & Organize

- Cabinets
- Drawers
- Linen Closet

Clean

- Ceilings
- Walls
- Doors
- Light switches
- Cabinet doors
- Light fixtures, and bulbs
